

**REMARKS**

Claims 1-10 are pending in this application. By this Amendment, the specification, drawings and claims 1-10 are amended.

In the Office Action, the disclosure was objected to. By this Amendment, references to specific claims are removed from the specification. As a result, it is respectfully requested that the objection be withdrawn.

In the Office Action, the drawings were objected to because reference number 170 was not shown in the drawings. A corrected drawing showing reference number 170 is attached. As a result, it is respectfully requested that the objection be withdrawn.

In the Office Action, claims 1-10 were rejected under 35 U.S.C. §112, second paragraph. By this Amendment, claims 1 and 2 are amended to obviate the rejection. As a result, it is respectfully requested that the rejection be withdrawn.

In view of the foregoing, it is respectfully submitted that the application is in condition for allowance. Prompt allowance is respectfully requested.
